

McINTYRE

2017 Rose of Pinot Noir, McIntyre Estate Vineyard Santa Lucia Highlands

Overview

Steve McIntyre is one of the most knowledgeable viticulturists in the California. As owner/operator of Monterey Pacific, he farms 12,000 acres in Monterey County and has planted or farmed nearly one quarter of the vineyards in the Santa Lucia Highlands AVA. The McIntyre Estate Vineyard lies in the “sweet spot” of this rolling, benchland region. It produces incredibly intense and complex Pinot Noirs and well-structured, concentrated Chardonnays. It was among the first properties in the Santa Lucia Highlands to be SIP (Sustainability In Practice) Certified.

Vineyard

While it is never easy to compensate for Mother Nature’s peculiarities, this wine is undoubtedly enhanced by the work we did in the vineyard. The vines for this Rose are now 44 years old, own rooted and grown on a Lyre trellis system. The crop was thinned to a maximum of 5 tons per acre. Row orientation is north/south, which provides even sun exposure from morning and afternoon.

Winemaking

At McIntyre our winemaking style is minimalistic. We endeavor to let the beautiful fruit shine through with limited intervention. The grapes for this Rose were harvested and hand-sorted in the early morning hours. Primary and malolactic fermentations were carried out with the wild, indigenous yeast and malolactic bacteria that naturally thrive in the vineyard.

Steve’s Tasting Notes

This wine’s natural, vibrant copper color foreshadows the stunning aromas of fresh berry, watermelon, rhubarb, black cherry pie and currants. While the bouquet is open and forthright, the texture is a bit more mysterious. One moment it is dry, crisp and refreshing; the next it is bold, plush and opulent. The finish, as you might expect, is pure, full and satisfying. Enjoy!
